

OVERVIEW

Whether it's a few screws to hang a picture or an assortment of job-specific fasteners for a major remodel job, SPAX® has the fastening solution in the project-appropriate package size that enable both the professional contractor and do-it-yourselfer to “do it once” and to “do it right”!

- Multi-Material Construction Screws for a wide range of structural applications in wood, masonry, sheet metal, and plastics.
- PowerLags® for reliable structural wood-to-wood connections.
- Exterior Construction Screws for use in treated lumber and exterior wood-to-wood applications.
- MDF Screws specifically designed for use in Medium Density Fiberboard.
- Cabinet Screws for reliable and beautiful installation of fine cabinetry.
- Rear Panel Screws designed to put the finishing touches on shelving, storage, and entertainment units.
